15 Annual Island Star Party 2010

SATURDAY Schedule of Events

9:00 AM: Registration opens

10:00 AM: **Guided Nature Walk:** Genevieve Singleton
“Fun and Games in the Great Out of Doors”
Genevieve will be hosting nature games and other activities for all ages. Please wear walking shoes, no flip flops. No dogs please.

2:00 PM: **Guided Nature Walk:** Genevieve Singleton
“Journey Back in Time on the Koksilah River”
Join Genevieve for a ramble along the magical Koksilah River and learn more about the First Peoples who have used the river for eons. Also find the answer to burning questions like why is it called Bright Angel Park? Please wear walking shoes, no flip flops and no dogs. Meet beside the lecture area.

3:00 PM: **Workshop:** Brian Robilliard
“Learn How to Collimate Your Scope”
Brian will provide helpful hints in adjusting our mirrors. Bring your scopes. Note: you do not need your telescope stands for this workshop. Meet beside the lecture area.

4:00 PM: **Workshop:** *“Telescope Walk”* Ed Nicholas.
Learn about the different types, styles and uses of telescopes. Meet beside the lecture area.

4:30 PM: ***“The Galactic Jam”*** – Dust off your guitars, banjos, fiddles and mandolins and join the “out of this world” galactic jam hosted by our MC Bryon & Tom. Meet beside the lecture area (4:30 – 5:30pm).

6:30 PM: Welcoming message, Introduction of CVSF elected positions and ISP Planning Committee

7:00 PM: **Lecture:** Andrew Woodsworth
“Canadian Aboriginal Views of the Night Sky: Has Their Time Returned?”
Andy will present the Mi'kmaq story of the Muin [Great Bear] and the Bird Hunters as well as a background on astronomy.

After Lecture: Door Prize Draws (Children's then Adults)

9:00 PM: **Workshop:** “Telescope Walk” Ed Nicholas.
Learn about the different types, styles and uses of telescopes. Meet beside the lecture area.

10:00 PM: Registration closes

10:00 PM: **Workshop:** “Astronomy 101” Bryon Thompson.
Learn how to find your way around the night sky. Meet beside the lecture area.

10:00 PM-Dawn: Viewing in Progress! No white light during this time. If you are leaving after dark, please be sure your vehicle is identified by CVSF, facing away from the viewing field.
